Dear Parents and Guardians,

RE: NOTICE OF SCHOOL FEES ADJUSTMENT FOR THE 2027 ACADEMIC YEAR

The Management of Firm Foundation Christian Academy wishes to formally advise parents and guardians of a revision in school fees, effective from the beginning of the 2027 academic year.

This adjustment follows a review of the school's operating costs and the financial resources required to maintain and continuously improve the quality of education and services provided to our learners.

JUSTIFICATION FOR THE FEE ADJUSTMENT

The revision has become necessary due to the continued increase in the cost of running the school, including:

- Rising costs of utilities, including electricity, water and other essential services.
- Staff remuneration, retention and ongoing professional development.
- Procurement of teaching and learning materials, textbooks and educational resources.
- Maintenance and improvement of school infrastructure, facilities and the general learning environment.
- Improvement and sustainability of academic programs and extracurricular activities.
- Increased costs associated with boarding services, including meals, accommodation and utilities.

The adjustment is intended to ensure that the school continues to provide a safe, supportive and well-resourced learning environment while maintaining the standards of education that our parents and guardians expect.

REVISED SCHOOL FEES FOR 2027

Form	Day School	Boarding
Forms 1–3	US$800	US$1,800
Forms 4–6	US$850	US$1,850

We appreciate that an adjustment in school fees represents an additional financial commitment for families. We have therefore endeavoured to ensure that the revised fees remain aligned with the school's operational requirements and commitment to quality education.
